In the Name of Allah—the Most Compassionate, Most Merciful

Any group that says I'm ahl as Sunnah while not in any place of this earth they did jihad against the kuffar then they are lying according to the text of the prophet - may peace and blessings be upon him - .

① عن جابر رضي الله عنه قال: قال رسول الله صلى الله عليه وسلم « لا تزال طائفة من أمتي يقاتلون على الحق ظاهرين إلى يوم القيامة » [رواه مسلم]

It has been narrated on the authority of Jabir b. 'Abdullah who said:
I heard the Messenger of Allah (ﷺ) say: A group of people from my Umma will continue to fight In defence of truth and remain triumphant until the Day of judgment.

② وعن عمران بن حصين قال: قال رسول الله صلى الله عليه وسلم « لا تزال طائفة من أمتي يقاتلون على الحق ظاهرين على من ناوأهم حتى يقاتل أخرهم المسيح الدجال » [صحيح رواه أحمد وأبو داود 4/ 602]

Narrated Imran ibn Husayn:
The Prophet (ﷺ) said: A section of my community will continue to fight for the right and overcome their opponents till the last of them fights with the Antichrist.

③ Imam Ahmad was asked regarding this group, he said :

: "هم أهل المغرب (الشام) إنهم هم الذين يقاتلون الروم، كل من قاتل المشركين فهو على الحق" [مسائل أحمد رواية ابن هاني 2/192]

They are the people of maghrib (Ash-Sham), they are those who fight against Ar-Rum and whoever that kills the mushrikin is upon haqq.

And imam Ibnul Qudamah narrated from imam Ahmad that he said :

(والذين يقاتلون العدو هم الذين يدفعون عن الإسلام، وعن حريمهم فأي عمل أفضل منه؟) [المغني 10/368]

They fight against the enemies, they are those who defend Islam and its sacred values, is there any work bigger than this ?

④ **An important note :**
الطائفه المنصوره : is only ahl As Sunnah, not the fighters of khawarij, murjia, the misguided and corrupted groups.

Also many group exist they call themselves Ahl As Sunnah

while that group doesn't have any mujahid in any place of the earth; this aswell are not Ahl As Sunnah and الطائفة المصورة.

Because that constant fighting is the sign of recognizing the real Ahl As Sunnah that's why the prophet - may peace and blessing be upon him - said : .. لاتزال .. which is for being constant meaning a constant attribute of the haqq group is war and jihad against the kuffar not sitting at home and talking behind the phone screen.

⑤ Imam An nawawi - may Allah Ta'ala have mercy upon him - did a nice explanation for this hadith, in which a part of the explanation is a reply to the groups like Al-Qaida and taliban whom kill but their manhaj in not the manhaj of Ahl As Sunnah and hadith rather their manhaj is ikhwani and secularism.

And the second part of the explanation is a reply to the madakhilah and the hamdanis whom are sitting in every place of this earth and they don't have any group that do war and jihad, which is why both type of the group exceeds the attributes of الطائفة المنصورة and are not Ahl As Sunnah.

Imam and nawawi - may Allah Ta'ala have mercy upon him -

said :

(وأما هذه الطائفة، وقال الأمام أحمد ابن حنبل ان لم يكون أهل الحديث فلا أدري من هم، قال القاضي عياض، إنما أراد أحمد أهل السنة والجماعة ومن يعتقد مذهب أهل الحديث، قلت: ويحتمل ان هذه الطائفة مفرقة بين أنواع المؤمنين، منهم شجعان مقاتلون، ومنهم فقهاء، ومنهم محدثون، ومنهم زهاد، وأمرون بالمعروف وناهون عن المنكر، ومنهم أهل أنواع أخرى من الخير، ولا يلزم أن يكونوا مجتمعين،بل قد يكونون متفرقين في أقطار الأرض)

This group, Imam Ahmad said : this (fighter) group if they are not Ahl Al Hadith I don't know who are they, qadhi 'iyadh said : Ahmad ibn hanbal in using the word Ahl Al hadith means Ahl As Sunnah wal Jama'a and those who adapt the methodology of Ahl Al hadith (as the Islamic state which rules by the Quran and Sunnah and they go by the usul of the salaf and follow the same methodology of the salaf in every topic of tawhid, iman, takfir, jihad and fiqh … etc and with following the methodology of the salaf, they are mujahid and declare war as the hadith mentioned) then imam an nawawi said :

And it might be that this group divides upon the believers :

① Some of them are smart and are in war and jihad.

② Some of them are faqih (as the scholars of dawla who are imprisoned and they are prevented from the path of emigration).

③ And some of them are hadith experts (sheikh Turki bin'ali was a sea in the field of hadith until Allah showed him the path, he did emigration and got martyred - may Allah Ta'ala accept it from him -).

④ And some of them are ascetic people (many brothers before they do hijrah (emigration) they were continuous in fasting, night prayers, reading the Quran, protecting oneself from haram, makruh and even not doing some halal that doesn't have benefit for them in the Hereafter).

⑤ And some of them enjoin what is right and forbid what is wrong (as the media brothers of dawla because of an excuse they haven't done hijrah (emigration) until now, at the same time they continue the dawah to haqq and forbidding kufr, bid'ah and evil).

⑥ And some of them have other types of khair in them and it's not a condition that every person of this group are gathered in one place rather it might be that they are divided upon the whole earth (but all of them have the

same methodology and the same jihad bring them together because they are Ahl As Sunnah and adapt the methodology of doing jihad against the kuffar just as how a part of them got the opportunity and are in jihad and killing, jihad and killing never leave this group as mentioned in hadith).
